

We have been working hard here at The Original Hut HQ! As I'm sure you are all aware, we very rarely allow anything to stop us doing what we love; giving you the place to create unforgettable memories. Now more than ever, we feel so lucky to be in the place that we are; on a 180-acre family run farm in the East Sussex village of Bodiam. Being within an hour and a half's drive or train journey from London and Brighton, we are the perfect escape from the city.

We wanted to try and briefly explain the measures we are putting in place to allow social distancing:

### **Camping**

All of our camping pitches will be located in our meadow, Gabil Meads, which allow for spacious pitches that are 12 meters wide.

One person at a time is allowed in a toilet/shower, the only exception is parent and child. All children must always be accompanied by an adult.

Hand sanitisers have been put on the outside of the toilet blocks & must be used on entering and exiting the block. There will also be antibacterial sprays in the cubicles, these are to be used by yourselves.

We will deep clean the toilets in the morning, throughout the day, and when possible, in the evening - they will be closed whilst this happens.

We will allow campfires and BBQ's and continue to assess Health & Safety risks with the local fire brigade accordingly.

### **Shepherd Huts**

Each unit is several meters away from the next, with each having their own outside space.

One person at a time is allowed in a toilet/shower, the only exception is parent and child. All children must always be accompanied by an adult.

Hand sanitisers have been put on the outside of the toilet doors & must be used on entering and exiting the block. There will also be antibacterial sprays in the cubicles, these are to be used by yourselves.

We will deep clean the toilets in the morning, throughout the day, and when possible, in the evening.

### **Cleaning**

All cleaning will be done in line with the government COVID-19 Guidelines.

To help us protect our staff, we would expect guests to double bag waste and remove them from the unit, bins will be provided. We will supply a black bag for used bedding at the end of your stay.

---

For the foreseeable future these will be the rules and if everyone wishes to use our facilities, we really hope that you can appreciate and stick to these guidelines.

We want to reassure you as much as possible that we are doing everything in our power to input Social Distancing Measures across every aspect of what we do here at The Original Hut Company.

Should you feel ill, are showing signs of the virus or live in the same household as someone with the virus, please do not attend our facility. For guest that are at greater risk or are medically vulnerable please be extra cautious.

Where a guest is unable to check out due to Covid-19 symptoms, guidance will be provided.

Anna, Nick and the Team x
